As we celebrate the feast of the MOST HOLY TRINITY, has it occurred to you how important it is this feast in our daily Christian life?

1) All prayers in the Church begin in the Name of the Holy Trinity and end glorifying the Trinity.

2) All Sacraments are administered (we are baptized, confirmed, anointed, our sins are forgiven, and our marriage blessed, and our Bishops, priests and deacons ordained) in the name of the Holy Trinity.

3) We bless ourselves, and the priest blesses us, in the name of the Holy Trinity.

Now that the Easter Season is over, the *Pascal Candle* is removed from the sanctuary. It will be only used throughout the year on special occasions,

Have you ever thought what a generous gift holy water is?

Entering the church, we dip our fingers in the font and bless ourselves. At the same time, we should also recall our baptismal promises, including our renunciation of Satan and our contempt of sin.

However, many times we forget how powerful is this sacramental, which receives its power through the prayer and authority of the Church. Blessed water can banish demons, heal the sick and impart graces upon us.

Holy water can be used to bless people, places and things that are used by humans in their goal to glorify God with their lives.

One can never have too much graces or blessings. So, remember to bless yourself daily. Try to keep a bottle of holy water on the dining table so that before breakfast every member of the family blesses oneself. Better still have a holy water font by the front door so that every family member or any guests can bless themselves as they enter or leave home. Every home is the domestic Church and is in need of spiritual protection. Sprinkle holy water in your home yourself or invite a priest to come and bless your home. Some parents also bless things that their children often use like bicycles, computers, books, etc.

A great tradition to adopt is to use holy water to pray while making the Sign of the Cross over your spouse and the children before they go to sleep at night. This way you are bonding the family to each other and to God.

Sprinkling one's work place with holy water is another great idea, not just for protection from any accidents but also to sanctify your daily work for the glory of God. What about applying holy water to your car to keep you safe from any accidents. In fact, one can also ask a priest to bless one's car as he also says special prayers.

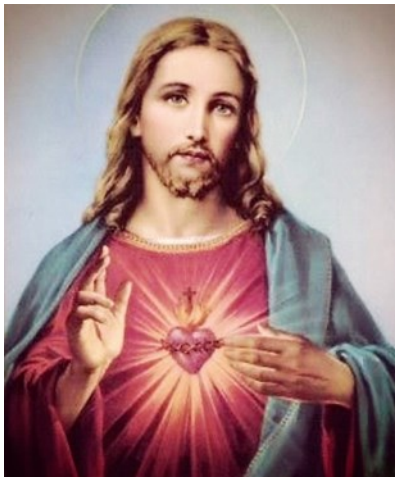
If you visit the sick in a hospital or a nursing home, bless them and their living space with holy water. Better still leave a holy water bottle with them as a comfort in their time of need.

When using holy water always make the Sign of the Cross, saying the words: "In the name of the Father and of the Son and the Holy Spirit." One can also pray the Our Father or even the St. Michael Prayer. Another simple prayer to say is "By this holy water and by Your Precious Blood, wash away my sins, O Lord. Amen."

Keep in mind that the holy water has already been blessed by the prayer of the priest, thus the power of Christ.

Holy water is one of those beautiful gifts from God to keep us sanctified and holy in our daily lives and to keep things we regularly use sanctified and holy. May we use this generous gift of holy water more frequently, thoughtfully and with great faith.

The Month of June is dedicated to the *SACRED HEART of JESUS.*
The Church celebrates the Solemnity of the Sacred Heart of Jesus on Friday following the second Sunday after Pentecost.
This year it falls on the 16th of June.



Pope Francis Prayer Intention for the Month of June.

For the abolition of torture.
We pray that the international community may commit in a concrete way to ensure the abolition of torture and guarantee support to victims and their families.

That is why Catholics make the Sign of the Cross:
it is a profession of our faith in the Holy Trinity
and in Jesus' saving act on the cross
which brought salvation to many.
The Sign of the Cross holds
a significant meaning for us,
so, the next time you do it,
do not rush it.
Always remember to do it with love and reverence.

Glory to the Father, the Son,
and the Holy Spirit:
To God who is, who was, and who is to come. cf. Apoc. 1:8
