Dear +Michael,

Please find enclosed the Diocese of Rockhampton Final Audit Report for the safeguarding audit conducted by Catholic Professional Standards Ltd from August 2019 - February 2020. Due to current restrictions as a result of COVID-19, we are providing you with this final PDF of the Final Audit Report rather than a printed copy.

We wish to thank you, Judy Pidcock, diocesan staff and parishes for your work in safeguarding children, in preparing for the audit and for your engagement and participation in the audit process itself.

As you are aware, CPSL has now published this Final Audit Report on our website and we encourage you to promote the publication of the report among your networks.

Please do not hesitate to contact us if there is any other support we can provide as you continue to maintain safe environments for children and vulnerable adults and uphold the National Catholic Safeguarding Standards.

Kind regards,

Sheree Limbrick
