### COVID Restrictions for People who have visited Brisbane since 2 January

As per QLD Government requirements, if you have been in Brisbane (other than changing planes at the Domestic Airport) since 2 January 2021, you are required to wear a face mask in all Churches. Exemptions apply for those moments when you are required to enunciate clearly and can socially distance from all other people (eg you are proclaiming one of the readings to the congregation), however it is preferred that you find a replacement minister until at least 22 January.

## Cluster News

### Cluster Bulletin

If you would like to receive the Bulletin via email each week, please contact the Pastoral Coordinator (contact details at the top of page).

Contributions, including names for the prayer lists (those who are sick, recently deceased, or on the anniversary of death) can also be sent to the Pastoral Coordinator. Before adding someone to the sick list, please check with the person or their family.

### 2021 Priest Appointments

Bishop Michael has written a letter to all people of the Diocese advising them of the priest appointments for the first part of 2021. We are pleased to advise that both Fr Raj and Fr Shaiju will remain in the West during this time. You are encouraged to read his full letter (check the Church noticeboard or contact the Pastoral Coordinator for a copy) as he shares some of the current difficulties faced by the Diocese.

## Change to Regular Priest Movements

To better facilitate Fr Raj and Fr Shaiju working *in solidum* across the entire region, a 3 month trial of different weekday movements will commence in February. The weekend Mass schedule will not be affected by this change.

Each priest will rotate separately through the 3 largest towns of the West, spending one week each in Longreach, Barcaldine and Blackall, before re-starting the cycle. At least once a fortnight, a couple of days together will be incorporated into this roster to ensure that they continue to have the opportunity to work together and support one another. Regardless of this model, to the best of their ability, the priests will continue to be available to anyone in the region requiring emergency pastoral or sacramental support.

We hope this change will provide more opportunities for the priests to minister across the entire region. Parishioners are encouraged to assist the priests by advising of them of pastoral and sacramental needs within their community (eg let them know that someone is currently in hospital and might like a visit or communion taken to them).

Whilst the priests will continue to be busy and working hard, parishioners are also encouraged to include the priests socially when appropriate – catch up for a cuppa, invite them for dinner, invite them to join you when attending community events, etc. As they will be constantly 'on the move', it will be increasingly difficult for them to develop and maintain their own home-based social network.

## Around the Parishes

### Barcaldine

#### Condolences

Our thoughts and prayers are with the Watchel family on the passing of Andrew's father last week. May God's love surround them during this difficult time and comfort them in their sorrow.

#### Rosary Before Mass

Rosary is prayed each week, beginning half an hour before each mass. Please join us. Thank you to Dee and Dolour who lead the rosary.

### Blackall

#### Change to Mass Times

Following feedback received from numerous members of the community, **all weekend Services** until further notice will be held at **5:00 p.m on Sunday**. Occasionally, due to priest availability, there may be a one-off change to this, which will be advertised in the Bulletin.

As you enter and leave any of these spaces (eg for cleaning, to prepare/ collect/drop off items, check records, etc) please enter your details on the appropriate sheets.

This information is required to ensure that if another person who has been in these spaces contracts COVID, the government Contact Tracing Team is able to quickly and easily notify you of your heightened risk and possible need to quarantine.
