Diocese of Rockhampton

## Reflection from Pope Francis

I am following with particular concern the events in Jerusalem. I pray that it may be a place of encounter and not violent clashes, a place of prayer and peace.

**Please remember in your prayers those members of our extended Catholic Education Family who have recently deceased.**

**Phil McDonald**, mother of Neil McDonald, CEO Rockhampton.

**Please remember in your prayers those members of our extended Catholic Education Family who are unwell.**

**Kevin Kenny**, father of Natalie Kingston, teacher Sacred Heart, Yeppoon.

Good morning everyone

Today, I am excited to join over 200 of our students in Years 10 to 12 attending this year's Youth Pilgrimage to explore and reflect on the theme *Here I Am*. Representatives from all our Catholic colleges across the Diocese are coming together in person or virtually for the livestream event being staged at The Cathedral College, Rockhampton. With keynote addresses from renowned Melbourne-based singer-songwriter and Christian commentator Gen Bryant and Diocesan Executive Officer Vocations, Youth and Family Life, Michael Otto, the event promises to be a life-giving, faith-filled, fun experience for participants. I extend heartfelt thanks to Di-Anne Rowan (Assistant Director: Mission) for her leadership in making this Youth Pilgrimage a reality and to all involved in the planning and co-ordination of this important event on our diocesan calendar.

NAPLAN commenced in schools this week and continues again next week. For some of our students and families this can be a time of heightened awareness, sensitivity and some anxiety. My thanks to all our teachers and staff who provide such compassionate and nurturing encouragement to help guide students through the assessment. I hope that all goes smoothly for our school communities and for those who coordinate the NAPLAN testing.

Our Diocesan Mass celebration to mark 200 years of Catholic Education in Australia is drawing closer. The Mass, with Bishop Michael presiding, will be held in St Joseph's Cathedral at 12 noon on Monday 24 May, the Feast of Our Lady Help of Christians, Australia's Patron Saint. The Mass will be livestreamed [here](#). I look forward to our school and college communities participating in this very special celebration via the live stream or, where possible, in person. The Mass gives us all the opportunity to praise our Loving God and to give thanks for the great gift of Catholic Education in Australia and to ask God to continue to richly bless our school communities today and into the future.

You will recall a few weeks ago we farewelled Fr Raj Kodavatikanti who returned to India after a number of years of faithful service to the people of our Diocese. I am delighted to share with you the news that Fr Raj has been elected to the leadership team of his province as the Vice Provincial Superior. On behalf of Catholic Education, I extend to Fr Raj our heartfelt congratulations and also the assurance of our continued prayers and support for him in his new role.

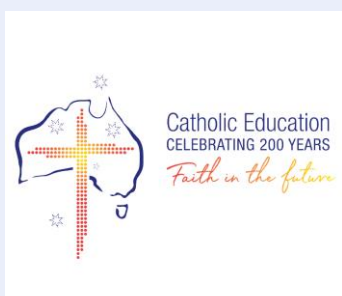

Yesterday was the Feast of the Ascension commemorating Christ being taken into heaven 40 days after Easter. In Matthew's Gospel we are reminded that God is with us always until the end of the age. I am sure you agree that is a lovely message to give us comfort and strength.

God bless,

*Leesa*

- 1964 the original location at the old St Patrick's School in Alma Street (the site of our first school opened in 1863)
- 1971 relocated to the Catholic Centre in Bolsover Street
- 1976 relocated to the former St Therese's School in Bolsover Street (now part of Centacare)
- 1981 a new purpose-built Catholic Education Office opened on the current site in West Street. This current site underwent a major redevelopment in 2003 (not pictured).

**World Communications Day,** though officially 16 May 2021, was celebrated in Australia last Sunday 6 May. The theme for this year is "Come and See", taken from the Gospels.
